

Second 2010 Kudzu Klinik Announcement and Registration

May 8, 9:00AM to 4:00 PM

Blalock Lakes, Newnan, Georgia

Clinician

Jos Sevriens

The Kudzu Clinics are a service offered to members of GDCTA. In the spirit of improving the skills of our members and their horses about four times each year riding instructors and barns donate their time and facilities toward a low key but high quality instructional experience. The second 2010 Kudzu Klinik will be a day with Jos Sevriens at Blalock Lakes In Newnan, Georgia. It is sometimes tempting to just "learn the tricks" for the show ring. But to best enjoy our equine friends we need to find the balance between the horse and the rider. Jos will be working with each rider to gain insights into the daily work routine that best opens that communication between the individual horse and their rider.

Fees (includes lunch) - \$20 GDCTA. \$10 Auditors

Clinic Date: May 8, 2010

Time: Begins 9:00 AM Ends 4:00 PM

Closing Date: May 5, 2010. This Kudzu Klinik can accommodate ten riders based on the postmark date on the entry form. Auditors, unlimited.

Clinician: Jos Sevriens is a native to the Netherlands who has lived in Georgia since 1985. He is a certified riding instructor in three countries: National Federation Dutch riding school, French Cadre Noir and USDF Level 4. Beginning in 1967 Jos worked with Ernest van Loon and in 1973 with Piet Oothout. Jos has trained a number of FEI level horses both in Europe and the USA.

Blalock Lakes is a beautiful planned community in the Newnan area featuring a 24-stall barn and excellent riding facilities. More information can be found at www.blalocklakes.com
