

# Equinity Horse XL - for the life and love of your horse!

**Equinity Horse XL** is a powerful organic, 100% natural formula, specifically designed to enhance the life of your horse. Use Horse XL to increase energy and endurance, strengthen bones, collagen and muscles and to improve your horse's natural immune system and vitality. Equinity's patented formula customizes itself to your horse's needs. Simply add 5-10 grams (1-2 level scoops) to your horse's food on a daily basis. Horse XL is made up of a proprietary blend of 8 essential amino acids which help your horse at a cellular level. Horse XL is created out of love and medical science for animals to increase their longevity, performance, and quality of life.

#TeamEquinity competitors have been in the top over and over with amazing results. Riders are breaking down doors and blowing away their personal bests by using Equinity products. So what are you waiting for? Give it a try!

- ❖ Anti-Inflammatory

## TESTIMONIAL

*This spring our mustang mare, who lives out 24/7, had a terrible time gaining weight and had a fungus that we just could not get rid of. We tried all sorts of topical treatments, including Listerine baths and MTG, clean tack, pads, and brushes but nothing worked. Before we called the vet, we decided to try a 30-day sample of Equinity. We doubled the dose – 2 scoops a day – for about 2 weeks and that skin scum went away! Not only did her skin clear up but her coat darkened and she started to gain weight! Needless to say, we are very happy with Equinity Horse XL.*

~Kim Abernathy, Foxberry Farm
